IT'S GAY, IT'S GAY!

Provincetown

—THE WONDROUS TOWN OF GAY!

Welcome to Provincetown, “the gayest town in America!”*

The little town on the outermost edge of Cape Cod, Provincetown, Massachusetts offers a true “something for everyone” vacation. From daily dance-your-patootie-off afternoon “Tea Parties” to a famously diverse night scene, P’town is a mix and mingle production starring a global cast of visitors, all sharing a love for the ultimate vacation destination where everyone is free to be who they are.

WHERE THE BOYS, GIRLS (AND EVERYBODY ELSE!) ARE

SUN, SURF AND THAT OTHER “S” WORD ...

Once you sink your toes in the sand and gaze across the endless miles of the Atlantic you’ll understand why

Provincetown’s Race Point and Herring Cove are consistently on the list of the world’s best beaches.

Explore the miles of dunes to find your own tucked away and oh-so-private corner of sand and sky, or join the gang in creating your own Beach Blanket Babylon.

FREE TO BE

Long before today’s rapidly spreading embrace of the LGBTQ+ community Provincetown was recognized as a safe and welcoming gay haven. Since the turn of the last century the tiny Portuguese fishing village at the end of the world has been a gathering place for artists, writers and so-called “free thinkers,” drawn to Provincetown by the singular light created by dune meeting sky. This spirit endures today as the town welcomes and embraces visitors from every corner, not to mention 99% of all elected town officials are gay... and out!

FIND YOUR MUSE IN PROVINCETOWN

As the oldest continuous art colony in the United States, Provincetown is home to dozens of galleries and all summer long features a number of art-centric events like the weekly art walk. Art + Wine + Cheese = a tried and true recipe for mating and dating! There are countless ways to tap into your creative urges with classes at the historic Provincetown Art Association and Museum (PAAM) or the Fine Arts Work Center (FAWC). Hike and bike the scenic trails in and around the dunes, or grab a snack and settle on one of the town hall benches for some people watching: the best free show in town! The benches outside of Town Hall are the best dating site in town—you never know who may perch next to you.

DANCE LIKE NOBODY’S WATCHING!

When the sun lowers over Herring Cove and the Breakwater, the entertainment scene switches into high gear and Commercial Street pulsates with the beat of Post-Tea festivities. The streets ring with the sound of laughter and piano bars, and you will find no shortage of clubs offering an up-close and

**Don’t take our word for it. The U.S. Census Bureau officially declared Provincetown “the gayest city in America.”*

personal performance from some of Broadway’s most famous entertainers. Anyone who’s visited P’town knows “there’s drag and then there’s Provincetown Drag,” home to some of the best in the business.

FOOD, GLORIOUS FOOD!

From bubbly brunches to intimate candlelit dinners to lively waterfront cocktails, Provincetown’s award-winning restaurants afford visitors a world-class menu of options. Fresh-off-the-boat seafood; fish & chips and lobster rolls are Cape Cod classics. Care for something more spontaneous? Grab a sandwich or a slice and find a bench—al fresco dining in Provincetown is de rigueur and you never know who may join you for a fiesta improvisada!

SHOP ‘TIL YOU DROP

For the eclectic eye, Provincetown’s one-of-a-kind retail shops and galleries are a shopper’s paradise. Looking for something... naughty? Nice? Whether you’re looking for exquisite and cutting edge fashion, art for any and every budget, hand-crafted items from local

artisans or a bargain bin bonanza, shopping in Provincetown is just plain fun and a great way to meet and enjoy the folks who live and visit here. Looking for tips on fun stuff to do? Our shop owners have the inside scoop and love to share!

GETTING THERE

Ride a bike, take a hike, row a boat, book a flight—couples, singles, families—come as you are! Provincetown is about freedom and acceptance in a beautiful setting at the edge of the world. Come join the fun!

A BED FOR EVERY HEAD

Now I lay me down to... whatever! From luxury hotel accommodations to fully serviced campsites, cozy inns with glowing fires or ready-to-rent condos & cottages and everything else in between, Provincetown offers a bed for every budget. Choose the perfect digs for your trip from our membership list (pbg.org/members.) The members of the PBG all share a vital common mission, making Provincetown the #1 Gay Community in America.

Welcome to PROVINCETOWN

MISSION

The PBG is a group of business owners, committed to the economic and cultural development of LGBTQ tourism for Provincetown and to maintaining Provincetown as the #1 gay community in America.

A WORD FROM THE DIRECTOR:

“As we celebrate the 50th anniversary of Stonewall and the 15th anniversary in Massachusetts of same-sex marriage, today our mission is more important than ever, given that other LGBTQ+ destinations are becoming less vital.

Simply put and broadly speaking, we have two very important purposes: 1) to market and promote Provincetown as a premier gay tourism destination; and 2) to produce events that bring people to Provincetown, including PRIDE, Carnival, Holly Folly and First Light.”
